WHO WE ARE

Music as a Force for Good

AMP Productions (Aid through Music and Philanthropy) is a brand new 501(c)(3) nonprofit organization dedicated to bringing people together through the power of music. We create inspiring concerts and community events that celebrate hope, generosity, and togetherness while making a meaningful difference in the lives of others.

At the heart of our mission is a commitment to performing arts education. Net proceeds from our events directly support performing arts programs at Lebanon High School, helping provide opportunities for students in music, theater, and related programs.

■ LIVE EVENTS	■ PHILANTHROPY	■ ARTIST SUPPORT	■ COMMUNITY
Benefit concerts and community showcases that fund local initiatives.	Directing proceeds to vetted nonprofit partners and community causes.	Platforming artists who use their craft for social good.	Building lasting connections between music lovers and causes.

"We believe music is one of the most powerful forces for good in the world. When it is pursued with excellence, shared generously, and rooted in service, it has the power to strengthen communities, inspire hope, and transform lives."
